HOUSE OF INDUSTRY

THE EIGHTY-FIRST ANNUAL REPORT OF THE BOARD OF MANAGEMENT OF THE HOUSE OF INDUSTRY, FOR THE YEAR 1917-18.

The Trustees and Managers of the House of Industry beg leave to submit their Report of the work of this Charitable Institution for the year ending March 31st, 1918.

During the past year we have had in the House, 207 Inmates, which is a decrease of 52 over the previous year. The cost of maintenance of this part of our work was \$19,195, or an increased cost over last year of \$2,546.39, and this too, in spite of our numbers being considerably less, but this is to be accounted for by the tremendous increased cost of all kinds of supplies, which also raised the cost per person per day to 45 $\frac{3}{5}$ cents as against a cost of 33 $\frac{1}{3}$ cents for the previous year.

Of the 207 Inmates, practically none were able to do any kind of work, and of this number only about 3 $\frac{1}{3}$ per cent. were able to contribute anything towards their maintenance.

The daily average number of Inmates in the House was 115. Of the total number of registered Inmates, 141 were males and 66 were females, 71 $\frac{1}{2}$ per cent. were under 60 years of age, 30 $\frac{1}{2}$ per cent. were between 60 and 70 years of age, 40 per cent. were between 70 and 80 years of age, and 22 per cent. were over 80 years of age.

A number of women Inmates do some knitting, and assist with the mending.

OUTDOOR RELIEF.

Our Outdoor Relief work consists of assistance given to families in their homes. This work is carried on by 110 volunteer visitors and three paid Investigators, a report being made on every family receiving assistance.

The number of families for whom applications for assistance were received, was 1,120. Of this number, 140 were not assisted for following reasons:—

111 were not recommended after investigation.

20 families, for whom assistance had been asked, refused to accept aid.

9 were referred to other organizations.

140

The number assisted, viz., 980, comprised 3,938 persons, this being an increase of 242 families, and an increase of 1,432 persons over last year.

Of this number 548 families had sickness in the homes, many cases being contagious diseases reported from the Medical Health and City Relief Officers.

46 cases received partial assistance only.

256 cases were widows.

326 families received assistance for the first time.

The cost of this part of our work amounted to \$26,725.46. This is \$12,654.68 more than last year, an increase of 90 per cent.—or an average cost of \$27.27 per family, as against \$19.25 last year.

In connection with the applications made for assistance, 5,840 visits were made, and written reports given in by our visitors and investigators. This does not include numerous calls made in the continuance of relief.

During the past year we also had to lend a helping hand to a number of our soldiers, some who enlisted and needed help until they received their first pay. Temporary assistance was also given to some returned wounded soldiers, to discharged soldiers, and to the widows of others of our soldiers; in all 232 cases were helped in this way, at a cost of \$6,326.64. We trust that before another winter comes around our Government will have made ample provision for all such cases, so that our soldiers will not be compelled to seek aid from our doors.

A new departure in the delivery of emergency orders of coal, groceries, and bread, was established this winter by the purchase of a Ford car. This has proven to be a great boon, and has been instrumental in relieving much suffering, as it enabled us to give immediate help in cases of sickness and in homes where there was absolutely no fire nor food, and no other method available of getting these supplies to them the same day that the request was made. All

7

these cases of urgent need, reported as late as 5 p.m., were relieved the same day.

The number of deliveries made by the car from the 20th of November last to the 31st of March was 1,104—880 with groceries and 224 with coal.

WAYFARERS' LODGE.

The people who are assisted by the City in the Lodge are of two classes, those who claim the City as their place of residence, and those from other municipalities. Of the former class 302 received assistance, and of the latter class 88 were sheltered in the Lodge from April 1st, 1917, to March 31st, 1918. This is a decrease from last year of 292 men sheltered in the Lodge. Of the 390, 188 were from 30 to 60 years of age, and 202 were over 60 years of age.

With the exception of five men who enlisted with the Construction Battalions, we are glad to report that there have been no applications for aid by men who were eligible for military training, and those who are with us at present are physically unfit to do much of any kind of work.

HOUSE OF INDUSTRY.

The Treasurer's Report at the end of last year showed a total liability of \$1,670.37. Our expenses for this year amounted to \$52,026.14, making a total of \$53,696.51, as against \$40,960.36 one year ago.

The receipts from all sources amounted to \$32,099.41, thus leaving a total liability at the end of our year of \$21,597.10.

We refer you for further information as to the financial condition, to the Treasurer's Statement, and to the Superintendent's Report, which give separate details of all branches of work done in connection with the House.

The Superintendent, Mr. A. Laughlen, and his wife, have again proved their efficiency in the way they have been able to cope with their work.

The spiritual welfare of the Inmates is well looked after by Ministers of the various denominations. Numerous concerts and suppers have been provided by friends of the House, and were much appreciated.

We sincerely appreciate the hearty co-operation of all classes of Church workers and fellow citizens, and to our visitors who freely give their services to relieve the distressed and suffering poor.

The House of Industry earnestly asks for further interest and help on the part of the citizens generally, in carrying on this most necessary and deserving work.

We regret to have to record the removal by death of Mr. Samuel Trees and Rev. Dr. A. J. Broughall.

Mr. Trees had given valuable service to the House, acting as a Visitor for thirty years, appointed a Manager on the Board in 1897, and a Trustee on the Trustee Board since 1914 to date of death.

Rev. Dr. Broughall gave invaluable assistance in all Departments of the work of the House, for a period of 56 years, being appointed a Board Manager in 1861. He was appointed a Trustee in 1868, and also acted as a Visitor from 1864 to 1887, and filled the position of Secretary of the Board from 1866 to 1874.

He was elected a Chairman of the Board from 1873 to 1877, and President of the Board from 1877 to 1881; also filling the position of Vice-President continuously from 1881 to date of death—thirty-six years.

BEQUESTS.

We gratefully acknowledge having received the following legacies during the past year:—

Estate of E. F. Sprague, payment on account of legacy, \$500;
Estate of Dr. Daniel Clark, on account of legacy, \$300;
Estate of Mrs. Sarah Meredith, legacy, \$200;

THE LADIES' ADVISORY COMMITTEE.

The Ladies' Committee, consisting of the following:—Mrs. W. Forsyth Grant, Convener; Lady Falconbridge, Mrs. Broughall, Mrs. Michie Cowan, Mrs. N. Brock Wilkins, Miss Gertrude Brock, and Miss Carolyn Roberts, have given services highly valued by the Board during the past year.

All of which is respectfully submitted.

REPORT OF WAYFARERS' LODGE.

HOMELESS POOR OF TORONTO.

The number who found shelter at the Wayfarers' Lodge during the year, April, 1917, to April, 1918, was 302, the number for the three consecutive years being 1,894, 558, and 302.

The total number of nights for this class of persons was 3,922, or an average of 13 nights for each person for the year.

The cost of maintenance was \$4,708.52.

POOR FROM OTHER COUNTRIES.

The number of men who came from outside of the City and found shelter in the Lodge was 88, the total number for the three consecutive years being 791, 124, and 88.

The total number of nights given to this class was 264, or an average of three nights for each person for the year.

The cost of maintenance was \$296.95.

Therefore the total number of men sheltered in the Wayfarers' Lodge last year, homeless poor of Toronto, and poor from other countries, was 390, the number for the three consecutive years being 2,725, 682, and 390.

The number of women who found shelter in the Lodge was 21, and the year before the number was 23. Number of nights' shelter received by women, 264.

Hence, the total number of persons, men and women, was 411, and the total number of nights was 4,450.

The total cost of the Lodge for the year was \$5,005.47.

For three consecutive years the cost was \$6,292.54, \$4,619.64, and \$5,005.47.

The number of meals supplied Casuals was 13,534, or 5 2/5 cents per meal.

The average number in building of Casuals, during the winter months, per night, was 12.

Those admitted to the Lodge during the winter months received three meals per day and lodging, upon performance of the labor test. A warm bath is provided for all Casuals, and clothing is cleansed by steam process, cleanliness being compulsory. During the summer months the Wayfarers are limited to two nights per month. At the request of His Worship the Mayor, Casuals are admitted until 11.30 p.m.

There are one or two points which we might mention in connection with the year's work.

Of the average of 12 admitted daily during the four winter months of December, January, February, and March, quite a proportion were unable to do practically any work on account of their crippled condition, and being burdened with many physical ailments.

Another point that might be noted is that with the exception of five men who enlisted in Construction Battalions, we have not sheltered anyone who could pass the medical examination enabling him to enlist. We have, therefore, had no other enlistments from the Ward for that reason alone.

All those who have had the management of the Lodge did the work required of them faithfully and satisfactorily.

All of which is most respectfully submitted.

CHAS. HEATH,
Secretary.

Chairman.

REPORT OF OUTDOOR RELIEF.

During the past year there were 980 families assisted, including 2,388 children, making a total of 3,938 persons comprising these families that were assisted at their homes. This is an increase of 242 families receiving relief over the previous year.

The great increase in the cost of supplies is shown by the additional average cost per family of the relief given. Last year it amounted to \$27.27, compared to \$19.25 per family for the preceding year.

The total cost of Outdoor Relief for the year was \$26,725.46. This is an increase of \$12,654.68 over the previous year when the cost was \$14,170.78.

There were 1,120 applications for relief received; of these 140 did not receive assistance for the following reasons:—

The three Investigators employed by the House have made a careful investigation into all cases referred to the House, and during the year have made 5,840 visits, giving a written report in each case, which is kept on file in the office.

While our Volunteer Visitors have not received many calls, the 110 districts into which the City is divided have been kept fully manned and ready for service to meet any emergency that might arise.

A light motor truck was purchased last fall for the delivery of emergent orders of coal, groceries, and bread, and it has proved of great advantage to the House, and has alleviated much suffering and hardship in cases that required immediate relief.

By the use of the truck we were enabled to send supplies up to 5 o'clock of the same day that the case came before our attention.

The ability to send assistance in this prompt manner was particularly noticeable in cases of acute sickness in the home, such as pneumonia, etc., many of such homes often being found with no fuel in the house and we were unable to deliver these supplies by any other method upon the same day the application was received.

The number of deliveries made by the truck from the 20th of November last to the 31st March was, groceries, 880; and coal, 224—a total of 1,104 deliveries.

Your Committee is pleased to report that the poor under the care of the House were not called upon to suffer during the past severe winter owing to the lack of fuel, as the firm having the contract to supply coal were able to make all orders received with reasonable promptness.

The Superintendent, Mr. Laughlen, and his wife, have given the same ceaseless vigilance and sympathetic consideration to the work of this Department as they have in the past, and the office staff under their direction have shown efficiency, tact, and careful attention in carrying out their duties, that means so much to the successful administration of the relief work of this Institution.

All of which is respectfully submitted.

A. HART,
Secretary.

R. C. GAVIN,
Chairman.

ANNUAL REPORT OF THE LADIES' COMMITTEE OF THE HOUSE OF INDUSTRY.

The Ladies' Committee has been unable to meet regularly as usual owing to the weather conditions and press of other work, but have kept in touch with the House, and glad to know that everything is going on well; and the health of the Inmates has been benefited by the change of attendants. We offer our grateful thanks to the members of the Choirs, Guilds and Societies who have given many concerts and entertainments.

The alterations in the various rooms are excellent.

The women have made 121 comforters out of the old red spreads and gray flannelette, which look very nice; 17 pairs of socks knitted by the women, and sent to Camp Kapuskasing, and 36 pairs sent to the Red Cross, wool supplied by the Red Cross.

Private Alexander Waring, Kapuskasing Camp, called to offer grateful thanks for them as they were naturally needed in that northern climate, and will be glad to receive more.

The women have also made out of cretonne "personal property" bags for the Infirmarys.

Several teas and concerts have been given; some entertainment every second Monday by Alexander Choir.

Mrs. Coravan has kindly given the Inmates motor rides and ice cream.

Mrs. Coles again was kind enough to send her splendid gift of plum puddings for the excellent Christmas Dinner for the Inmates, even more appreciated this season than other and easier times.

MEDICAL OFFICER'S REPORT

HOUSE OF INDUSTRY, TORONTO.

For the year ending March 31st, 1918.

The general health of the Inmates of the House has been good during the past year, though our death rate is very much higher than that of the past two years, a large number of our very old men having died.

Inmates requiring Hospital treatment have been sent to the General Hospital as in former years. Fourteen of the Inmates have received such treatment.

The number of bed patients in our Infirmary has been larger on the men's side than on the women's side of the House.

The general care of the Inmates is well looked after by the attendants.

There have been 365 attendances at the Dispensary, and 33 men and 4 women have died.

Respectfully submitted.

This Annual Meeting desires to place upon record the great loss sustained by the House in the death of the late Rev. Dr. Broughall, who had been connected in the most active way with all the affairs of the Institution for over half a century.

He was appointed a Manager of the House in 1861, a Trustee in 1868, and occupied with great ability for many years the positions of Secretary, Vice-President and President of the Institution; also acting as a Visitor for twenty-three years.

Moved by Rev. J. W. Pedley, seconded by Mr. Chas T. Stark:—

That Rev. T. Crawford Brown, and Mr. Edward Galley, be appointed Trustees, to fill the vacancies caused by the death of the late Rev. Dr. Broughall and the late Mr. Samuel Trees.
